

Waterproof USB Dual Charge Socket (12-24V) - **SC-USB-01**

1 Part No.	178306
2 LED Color:	1 Red LED
3 No-Load Output Voltage:	5.2V +/-2%
4 Full Load Output Voltage:	4.7V
5 Max Output	2.1A +/-2%
6 Ignition Voltage:	6V
7 Input Voltage range:	12V~24V
8 Standby power loss:	25mA
9 Output short circuit protection:	Yes
10 Over-voltage protection:	Yes
11 Over-current protection:	Yes
12 Over-temperature protection:	Yes
13 Reverse polarity:	Yes
14 Thermal Protection:	24v input full load test temperature less than 100~105 degree (inductance temperature)
	12v input full load test temperature less than 90~95 degree (inductance temperature)
15 Case temperature :	24v input full load test temperature less than 45 degree
	12v input full load test temperature less than 43 degree
